

NEWSLETTER – FRIDAY 17th MAY 2024

Water

As a precautionary measure we are boiling our drinking water at pre-school.

NAMES!!!

We cannot emphasise enough how important it is to name **all** your child's clothes, lunch boxes and drinks bottles, especially after Christmas as we have a lot of duplicate items! We cannot be responsible for any lost items.

Grass area

Please be aware that the grassed area at the front of Little Swans does not belong to the pre-school, it is part of Westcliff School. We have had to clear up dog mess from this area in the last week so please keep your children off that area. Thank you 😊

Activities

This week in Cygnets Room we planted our sunflower seeds to take home to look after.

The bugs loved playing in their new home that we made

We have purchased some new sensory tiles. The children enjoyed experiencing the textures using their feet.

We enjoyed matching the numbers with the spotty cows 😊

Sarah read us the story Maisy in Hospital.

This week in Swans Room the children have been planting broad beans. Just like in the story of Jack and the Beanstalk. They talked about what the seeds needed to help them grow.

On the maths table they have been matching numbers

On the craft table they were making snails and flowers

They have been using memory skills to play the pairs game

We have listened to the story of Jasper's Beanstalk and joined in with a group game of Farmer's in the Den.

Have a great weekend!

Little Swans Pre-school
