Activities

Ohh aarhh! The pirates have taken over Cygnets Room and want to know where be their treasure at!

Shiver me timbers, time to walk the plank, who's first me heartys??

X marks the spot! Now let's dig for treasure

We sailed the wild and treacherous seas searching for our treasure

We went fishing, watching out for sharks in the deep, deep water!

We also enjoyed our new Pirate Book

The theme this week in Swans Room has been 'Stay Safe in the Sun', it's a shame about the real weather! Our role play area has become the seaside.

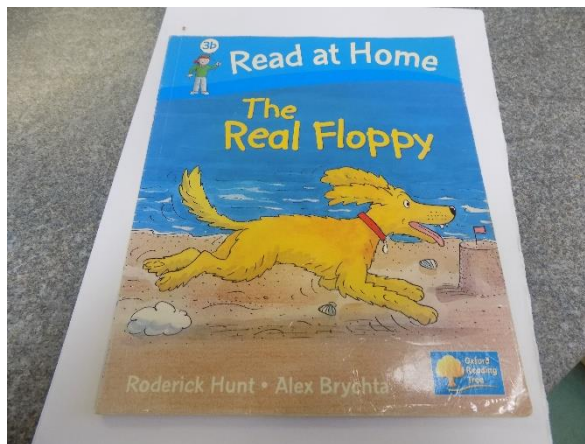

There has been some lovely sea blue playdough

The children have been creating patterns using one-handed tools and their fine motor skills with the hammer and nails.

They have been colouring and using the stencils to make some seaside pictures

Our story this week has been 'The Real Floppy'

Using clay they have been rolling, pushing, patting and decorating the seaside ornaments

Have a good weekend
